IN ACCORDANCE WITH 37 C.F.R. §§ 1.821-1.825**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The undersigned hereby states that the content of the sequence listing referred to in the above-referenced patent application and the computer readable CD-ROM copy, submitted in accordance with 37 C.F.R. §§ 1.821, are the same. The contents of the accompanying CD-ROM are hereby incorporated by reference in the specification. A paper copy of the sequence listing is not being provided due to the volume of paper required. A paper copy will be provided, of

course, upon request by the Patent Office. Likewise, the sequence listing is provided on a CD-ROM and not a diskette as the information would not fit on a single diskette. Upon request by the Patent Office, the sequence listing will be provided on any computer readable form.

In the unlikely event that the Patent Office determines that an extension and/or other relief is required as a result of this statement, applicants petition for any required relief including extensions of time and authorize the Assistant Commission to charge the cost of such petitions and/or other fees due to our Deposit Account No.: 50-0320. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
